CERTIFICATION:

Several qualified photogrammetrists accomplished the production of the products for this project. I, as the signing photogrammetrist, have not done any of the production. I have supervised the work produced. To the best of my knowledge, all of the products meet or exceed the accuracy and quality as required.

NOTES:

To the best of my knowledge this survey and report meet all applicable requirements of the Federal Emergency Management Agency (FEMA) and meets USGS LiDAR Base Specifications v1.2.

Photogrammetrist in Responsible Charge:

David Holm
Certified Photogrammetrist
Certification Number 1301
