

Pike County Delivery Notes

Bare-Earth & First Return LAS

Tile 656_4389 will not have a bare earth LAS or a first return LAS deliverable. No LiDAR points exist in this area as it covers a small area and falls on the Job Boundary and in the Mississippi River. A DEM file was created with collected hydro features.

Tiles 669_4371, 696_4349, 696_4344 will not have bare earth LAS deliverable. No ground points exist in these tiles. DEM files will be created with collected hydro features.
