Remarks:

Ms. Bailey,

On behalf of the Wisconsin DOA, we are shipping the enclosed hard drive which contains countywide QL2 lidar deliverables for Calumet and Waupaca counties in Wisconsin. **These hard drives contain the corrected datasets per your QA Reports.**

This project was completed as part of the FY18 3DEP program under cooperative agreements with Wisconsin DOA and the county as part of the "2018 Wisconsin Statewide LiDAR Data Collection" - G17PS00746 / G17AS00116. This is the second of three deliveries for FY18 in Wisconsin.

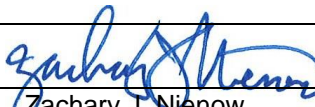

If you have any questions, please give us a call.

Thank you,
